Which Programs Are NOT Eligible for FTA?

- Any program that bundles tuition and fees together into a lump sum.
- Continuing Education Units (CEUs) or courses that do not meet degree requirements.

How Do I Apply?

- Create a GoArmyEd Account.
 - Go to www.goarmyed.com and establish a GoArmyEd Tuition Assistance account, by clicking on "New User" button and entering in all required data.
- Once you have a FTA account set up, you can begin requesting FTA. A few tips to keep in mind:
 - You can apply for FTA up to 60 days prior to the start of your courses and must be APPROVED prior to course start date. We recommend signing up as early as possible as funding is based upon availability.
 - You will submit a TA request for each individual course you want FTA to pay for.
 - If your school goes by quarter hour or clock hour, GoArmyEd will convert them into semester hours on the application
 - If your school has not been fully integrated into GoArmyEd (i.e. you have to physically enter your courses into each FTA request) then you will need to provide the following documentation, uploaded into your Education Record eFile:
 - Cost Verification Statement: document such as a billing statement/invoice specific to you that breaks out the cost of tuition separately.
 - Class Schedule: document that shows all of the courses with their name, start date, end date, course number, and number of credit hours.
 - All of these documents MUST have your name on them and the name of the school on them and cannot be in an editable format.
 - After you complete 6 semester hours of FTA-funded coursework, you will need to provide a documented degree plan/student agreement to GoArmyEd
 - This document should lists the courses required for completion of your degree, as well as the existing credits that are being applied already toward your degree.
